

Homework from Lesson #1:

1. Create an account
2. Connect to first deceased ancestor (build a bridge back)
3. Check your settings:
 - a. Click on your name in upper right corner.
 - b. Check your settings under:
 - i. Account
 - ii. Contact (Enable Relationship Viewing)
 - iii. Notifications
 - iv. Preferences
4. Study your ancestors through the four “Tree” views found in the upper left corner:
 1. Fan Chart. Under the Family Lines in the left corner, click on: Birth country, Sources, Stories, Photos, Research Helps and Ordinances to see the results.
 2. Descendancy. Click on an ancestor’s name and expand out to see all descendants of that ancestor.
 3. Landscape.
 4. Portrait
5. Study the “Person” page of each of your four generations.
6. In preparation for next week, make notes of any problems or corrections that need to be made. We will be learning how to edit.
